

Young Adult Mission Scholarship Application

At Faith, we believe in the importance of developing the next generation of the Church. Thanks to the generous support of people at Faith, we are able to offer limited partial mission trip scholarships for qualifying young adults ages 18-30. Through this form, you will be applying for Faith to invest in you in three ways: spiritually, relationally, and financially. Our goal is to help transform young adults by the gospel to be disciples of Jesus who make disciples wherever they live, work, and play.

NEXT STEPS

Each application is considered on an individual basis. An in-person or phone follow-up meeting is required in order to be considered. Email Brandon.boos@faithstl.org to set this up.

SPIRITUAL DEVELOPMENT

During this experience, you will be provided with resources to help grow your faith and help you prepare for the mission trip. We encourage you to be present for Sunday morning worship services and get connected with a Life Group. You will be given the opportunity to go through a daily Bible reading and prayer plan, as well as provided with an online platform for learning via videos and discussion. Our mission is to *Connect people to the extraordinary life found in Jesus*, so each step in the pathway is a conduit for growth of disciples who “Get the Life, Experience the Life, and Give the Life Away.” To see our pathway for people at Faith, visit the following link. faithstl.org/next-step-pathway/

RELATIONAL DEVELOPMENT

Through this experience, you will be invited to experience the community at Faith and be a part of God’s family. If possible with timing, we will encourage you to be a part of *The Rooted Experience*. The young adult life group has meetings every first Sunday and last Friday of the month. See faithstl.org/young-adults/ for details.

FINANCIAL DEVELOPMENT

Through this development experience, we will give you a scholarship for the amount determined, to go towards your mission trip costs. We will also provide additional resources for your development. We want to enable you to carry out the mission God has for you.
